Other Wells Fargo Benefits

Watch for debit card scams so you can avoid them

Pay close attention if you are contacted about fraudulent debit card activity. Scammers are impersonating Wells Fargo using texts and automated calls that look real.

Wells Fargo will not contact you and ask you to:

- Provide your PIN, access code, or card information.
- Give device passwords, share your screen, or join a video call.
- Withdraw cash and deposit it to another account.
- Send money to a person, account, or digital wallet to "protect your account" or "resolve a fraud issue".
- Hand over, mail, or leave your card somewhere for pick-up.

Remember, don't respond to the request. Call us directly using the number on the back of your card to verify any potential issues with your card or account. You can also check for suspicious activity through our mobile app* or online. If you think your card has been used fraudulently, please contact us as soon as possible.

*Availability may be affected by your mobile carrier's coverage area. Your mobile carrier's message and data rates may apply.

IMPORTANT ACCOUNT INFORMATION

We're changing the timing of when the monthly service fee is posted to your account. Currently, the monthly service fee is assessed and posted on the last day of the fee period. Starting November 10, 2025, if a monthly service fee is assessed, we will calculate it on the last business day of the fee period. Then, the fee will post on the first day of the next fee period.

Due to this change in timing, your first statement after November 10, 2025, won't include a monthly service fee and the monthly service fee summary will be blank, but both will be reflected on your next statement. Subsequent statements will include both the monthly service fee, if applicable, and the summary.

Your fee period details are available in the Monthly service fee summary in this statement.

After November 19, 2025, Wells Fargo will no longer offer the option to establish new overdraft protection linkages from a home equity line of credit to deposit accounts. If there is a home equity line of credit account that is currently providing overdraft protection for your checking account, it will be delinked from overdraft protection on February 9, 2026. Unless your checking account is linked to another overdraft protection source, you will lose overdraft protection on or after February 9, 2026. Your home equity line of credit account is not being closed or changed and as long as you have available credit, you can continue to make credit advances in other ways such as access checks (if applicable), online, visiting a branch and by phone. Call us anytime for additional details at 1-800-TO-WELLS (1-800-869-3557) or visit your local branch.

Updates to your Everyday Checking account

In addition to the changes we shared in your August statement, the monthly service fee will be \$15 for fee periods that begin on or after November 29, 2025.

Reminder: You can avoid the monthly service fee when you meet any one of the following conditions for fee periods that begin on or after October 25, 2025 (1):

- Most used: \$500 or more in total qualifying (2) electronic deposits (such as direct deposits of payroll or Social Security benefits)
- New: \$5,000 or more in qualifying deposit balances, investment balances, or both (3)
- Updated: \$1,500 minimum daily balance (increased from \$500)
- A primary account owner who is 17 to 24 years old (4)
- A qualifying monthly non-civilian military direct deposit with the Wells Fargo Worldwide Military Banking program (5)

The \$15 fee (\$10 for fee periods before November 29, 2025) will continue to be waived if your Everyday Checking account is linked to a Prime Checking or Premier Checking account.

For more information about the changes to Everyday Checking, visit wellsfargo.com/everydaycheckingchanges.

1. The fee period is the period used to calculate the monthly service fee. The fee period details are provided on the Monthly Service Fee Summary located in your account statement.
2. A qualifying electronic deposit is a deposit of funds, such as your salary, government benefit payment, or other income, that has posted to your account and is (1) a direct deposit made through the Automated Clearing House (ACH) network, (2) an instant payment processed through the RTP® network (real-time payment system) or FedNow SM Service, or (3) an electronic credit from a third party service that facilitates payments to your debit card using the Visa® or Mastercard® network (e.g., an Original Credit Transaction). Transfers from one account to another, mobile deposits, Zelle®, or deposits made at a branch or ATM are not considered a qualifying electronic deposit.
3. On the last business day of each fee period balances in eligible Wells Fargo accounts will be automatically totaled. Eligible accounts include consumer deposit account balances (checking, savings, CDs, FDIC-insured IRAs), certain investment account balances, and applicable Wells Fargo bank fiduciary and custody accounts.
4. When the primary account owner reaches the age of 25, age can no longer be used to avoid the monthly service fee.
